**If you want to learn more about this profitable skill, this full training day is perfect for you.**

Training is provided by professional, highly skilled vehicle wrap fitters, who regularly fit national fleet vehicles and are approved by the leading vinyl manufacturers.

- Hands on training for you
- Expert advice from professional fitters
- Live wrapping demos
- Tips on getting excellent print results
- Practice the latest wrapping techniques
- Learn how to tackle indents and rivets found on many commercial vehicles

### How to find us

From M1 Junction 30 follow signs for A616 towards Newark to bring you to Clowne.
